Recent progress in re-useable rocket technology has made it more realistic than we thought. Here at HKUST, we have developed a novel gel-based construction material particularly for the freezing and quasi-vacuum environment of Mars. We are going to show you how to 3d-print it, cure it, and test it. 有沒有想像過在外太空起樓？我們手把手教你 3D 打印、製作及測試專為火星而設的建築物料。 Speaker 講員 Prof. Jishen QIU , Assistant Professor of Department of Civil and Environmental Engineering 土木及環境工程學系 仇霽申助理教授
15:00 - 15:45				
12:30 - 13:30	A Cocktail for Civil Engineers - Concrete Casting Workshop 給我一個土—混凝土澆灌工作坊	 	CIVL Teaching Lab (Room1206) 土木及環境工程教學實驗室 (1206 室)	Enjoy a bucket of civil engineering ""cocktail"", made with water, cement and aggregates. Come up with your own recipe and find out the golden ratio for the strongest brick. 親身落手落腳，調製黃金比例的水、英泥和骨料，製作最堅固的混凝土。

TALK 講座

12:30 - 13:05	Financial Engineering, Fintech & Decision Analytics 金融工程、金融科技與決策分析		Lecture Theater J 演講廳 J	Financial engineering (FE 1.0) is an interdiscipline that uses quantitative tools and engineering methodologies to design and price financial instruments and manage risks. FinTech, usually being viewed as FE 2.0, combines existing quantitative tools and new techniques such as AI, blockchain, cloud computing, and big data to deliver new financial services. Join the talk to know more about the latest development of the financial industry and our UG program on Decision Analytics! 金融工程 (FE 1.0) 是一門跨學科的學科，它利用定量工具和工程方法來設計和定價金融工具並管理其風險。金融科技通常被視為 FE 2.0，結合現有的定量工具和人工智能、區塊鏈、雲端運算和大數據等新技術，提供嶄新的金融服務。歡迎參加講座以了解更多關於金融行業的最新發展及決策分析本科課程！ Speaker 講員 Prof. Wei JIANG, Assistant Professor, Department of Industrial Engineering and Decision Analytics 工業工程及決策分析學系 蔣為助理教授
14:30 - 15:05	Decision Analytics for the Modern Society 決策分析 - 現代社會新思維		Lecture Theater K 演講廳 K	Industrial Engineering and Decision Analytics is the engineering of making smart decisions based on domain-specific knowledge, data, model and analysis. Join us for an admission talk and discover how our major programs can open up a world of possibilities for your career. 工業工程及決策分析學是一門基於領域知識、數據、模型和分析而作出明智決策的工程學科。歡迎參加我們的入學講座，了解更多本科課程及就業前景！ Speaker 講員 Prof. Jin QI, Associate Professor, Department of Industrial Engineering and Decision Analytics 工業工程及決策分析學系 戚瑾副教授
